

VAST As-Built Report

Customer Deployment Documentation

Cluster: ACME-PROD-01
Version: 5.3.0-build-123456
PSNT: VST-2025-AC-001234

Generated on: September 29, 2025 at 02:47 AM

Enhanced Features: Rack Positioning Available

VAST Professional Services | Automated As-Built Documentation

Executive Summary

Cluster Overview:

- Name: ACME-PROD-01
- Version: 5.3.0-build-123456
- State: ONLINE

Hardware Summary:

- Total Nodes: 4
- CNodes: 2
- DNodes: 2
- Rack Positions: Available

Data Collection:

- Overall Completeness: 85.0%
- Enhanced Features: Enabled

Cluster Information

Cluster Details

Property	Value
Name	ACME-PROD-01
GUID	12345678-abcd-1234-5678-123456789abc
Version	5.3.0-build-123456
State	ONLINE
License	Premium
PSNT	VST-2025-AC-001234

Hardware Inventory

Summary: 4 total nodes
Rack Positioning: Available

CNodes Inventory

ID	Model	Serial Number	Status	Rack Position	U Number
1	VAST-CX4000	VST240901001	ACTIVE	25	U25
2	VAST-CX4000	VST240901002	ACTIVE	24	U24

DNodes Inventory

ID	Model	Serial Number	Status	Rack Position	U Number
1	VAST-DX8000	VST240901100	ACTIVE	18	U18
2	VAST-DX8000	VST240901101	ACTIVE	17	U17

Physical Rack Layout

Visual representation of hardware positioning in the rack with U-number assignments.

Network Configuration

Logical Configuration

Security & Authentication

Data Protection

Enhanced Features

Rack Positioning:

- Supported: Yes
- Automated U-number generation for hardware positioning
- Physical rack layout visualization available

PSNT Tracking:

- Supported: Yes
- Cluster Product Serial Number available for support tracking
- PSNT: VST-2025-AC-001234

Appendix

Report Generation Information:

- Generated on: 2025-09-29T02:47:17.773084
- Data completeness: 85.0%
- API version: v7
- Cluster version: 5.3.0
